Language Discovery

Intensive English Language [FULL Day Course]

Bold Pioneers who are committed to improving their English language skills will discover that this four-week intensive course has been specially developed to equip you with a strong foundation, enabling you to flourish in your reading, writing, listening, and speaking abilities. Each lesson is geared towards building confidence in grammar, vocabulary, writing, and speaking in a friendly group environment. You will explore role-play (talking with each other) and task-based assignments (having fun with English). If you feel that your English skills could be sharpened, this is definitely the ISS Summer School course for you!
